

SHE

SHE (Scheme for Her Empowerment) is dedicated to empowering our female students to realize their full potential as leader. Recognizing the untapped potential within every young woman, SHE is committed to providing a platform that nurtures growth, confidence, and innovation. Our mission is to equip girls with the skills, knowledge, and support necessary to thrive in technical fields and beyond.

MEET AND GREET

Meet and Greet, an exclusive event tailored for the vibrant girls. This one-day residential camp on March 1 and 2 at Government College of Engineering, Kannur. It offers an unforgettable experience filled with sisterhood, self-discovery, and personal growth. Through engaging activities, attendees will unlock their potential, nurture creativity, and forge lasting bonds with fellow participants.
